National Trails Day®

American Hiking Society's National Trails Day® 2011

"Made With All Natural Ingredients"
Saturday, June 4

On June 4, American Hiking Society's National Trails Day will bring together outdoor enthusiasts across the country for the 19th annual celebration of America's magnificent trail system and its countless supporters and volunteers. Two thousand events will take place around the country including trail maintenance, hiking, paddling, biking, horseback riding, bird watching, running, trail celebrations and more! Since 1993, National Trails Day has inspired thousands of individuals and community groups to take part in activities that promote healthy living and mental well being, protect green space, educate youth and adults on the importance of trails, and instill excitement for the outdoors. Plan now to host or attend an event in your area. If you want to get happy, healthy, active, fit, and have some fun, National Trails Day is your recipe to success. The only ingredient missing is YOU.

To participate in this national event on a local scale, plan a family hike in one of Campbell County's many scenic parks.
